

## Division 1 Red

15 March 2012

Playing at home, Sandy Bay Reds had a solid 10-2 win over Geeveston, winning overall by 17 shots, 67-50. The green was running at 14+ and conditions were humid but mostly still.

Rink of the day was Gill Pratt with an impressive 28-11 win over Liz Rickards. Helen Lester, Jeannie Lahl and Carmel Rainbird gave great support to Pratt. They were 8 up at half time and added a handsome 14 shots in the run home with a four on the 13th and another 4 on the 20th end. It was a great way to end the season for Pratt

Yvonne Buckley held a 14-10 lead over Avriell Elliott at lunch. The going was tough but Sandy Bay were able to hold their form and move to a 6 shot win. The contest was a nail-biter and it was great to see the Sandy Bay crew dig deep and score an impressive win

.

In the third rink, Icy Willis had the better of Anne Smith by 6 shots. Smith sprang to an early lead and at lunch it was anyone's game with Willis 1 shot ahead. Willis came in to her own with some fine shots, enough to pull away over the last few ends
